

Dear guests,

The Region of Norrbotten welcomes you to Barents Dance Councils meeting in Luleå, Sweden the 19th-21th of April 2018.

During the meeting we will have a workshop about social media, watch performances and meet some interesting dance personalities from the north of Sweden. The Region of Norrbotten will support the meeting and cover the costs of the activities happening during the days but you have to take care of your own travel and housing costs. If you have any questions take contact with me (Finnish and Swedish participators) or Gull Øzger (Norwegian and Russian participators).

A more detailed schedule will come later on. The schedule will begin 9am on the 19th, therefore I recommend you to travel on the 18th.

Looking forward to see you all in April!

Warm regards,

Erika Pettersson Pekula
